# THE BEEBE COMPANY

## History

A Portland, Oregon company since 1884, The Beebe Company originally supplied shipping and fishing.

For our third century we blend the best of old and new: high quality USA-sourced materials and manufacturing meeting 21st Century needs.

Classic materials crafted into innovative and useful accessories that stand the test of time.

One of the original Beebe Company buildings on the Portland waterfront circa 1919.

## THURMAN Leather Bike Phone Holder

Creates a stable and flat surface for phone

Be sure to wrap tightly around top tube

Silicone bands stretch to hold any smartphone tightly

Thurman is a minimalist, stylish, durable and pocketable way to attach almost any smartphone to almost any bike; listen to music or use maps as you ride.

Oiled water-resistant leathers get better with age.

A silicone strip on the inside keeps it from slipping, and two strong custom silicone bands securely hold smartphones over bumps. The bands were even tested successfully on high altitude sky-diving by special forces.

4" wide x 7.25" long  
10cm wide x 18.5cm  
(Fits bike tubes up to 5.5" or 14cm circumference)

TH1 - English Bridle Black  
TH2 - Oiled Chestnut Brown

Silicone band position can be easily adjusted to not block the screen

# CAMILLA Bike Friendly Shoulder Bag

Ideally-sized and supremely bike-friendly, Camilla is the best way to carry a purse (and iPad) on a bike.
